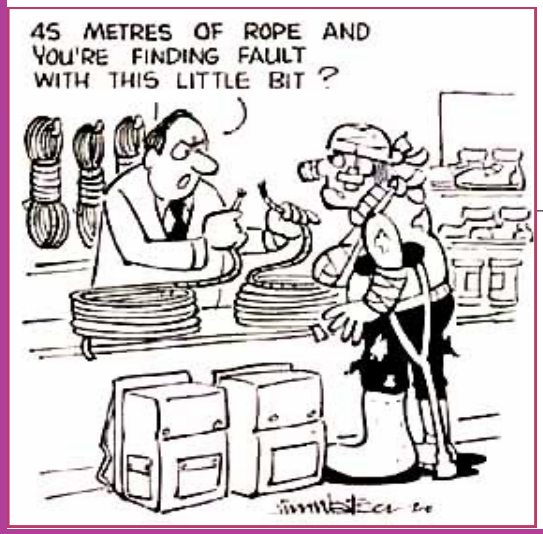
# City of Salford Trampoline Club
# Official Abseil
# Date: 19th January 2011

***This has been organised to help raise money for the club, the club is a non-profit making organization and as such all monies raised will be pumped straight back into new equipment, maintenance of the building, courses for the coaches/ volunteers.***

***All these things are vital to help grow a healthy club, which is why we would like everyone who is involved with the club to raise £85 or more.***

***If you don't make that much don't worry you only have to make £35 to do the ab-seil the rest is profit for the club to use.***

***Please use the puppy eyes and pout your lips, tell your neighbors that the club will have to close and move into your back garden, tell people young animals will have to be put down or sell your siblings into servitude! You could even ask your head teacher and tell him you will get A* on all you exam results…..***

***Be creative and be firm we can do this team,***


***Gggggggggggggggggoooooooooooooooooo SALFORD!***
